

# Food court at Newtown Square

The Food court at Newtown Square Gurgaon is one of the largest and best designed food outlets coming up in New Gurgaon. It will be professionally operated by the experienced group of KWALS HOSPITALITY, who are presently operating prestigious centers such as the DLF Cyber City Buildings 5 & 14 Food courts, DT Mega Mall Food court MG Road Gurgaon etc.

KWALS Hospitality is the largest Food Court O & M operator in India, serving various malls & corporate office complexes with their experience in Hospitality, Food, People Management and Relationships in the industry, along with all major QSR Brands to deliver extremely vibrant food courts. KWALS started off in the year 1945 under the guidance of Late Shri Agya Ram Lamba. They We have had the privilege of serving all the Prime Ministers of India since the time of Pandit Jawahar Lal Nehru, and also catered to numerous international Heads of States including Prince Charles during his latest visit to India. KWALS has also won numerous awards and distinctions over the years including Best Caterers in the region. They have also served during IPL Cricket Matches and F1 races in India.

KWALS have worked across the best International & Indian Food Brands such as Costa Coffee, Dunkin Donuts, Subway, Dominos, CCD etc. They will be operating a number of fine picked outlets and brands to suit the requirements of Newtown Square Food court. KWALS in collaboration with Dine Equity has launched International House of Pancakes (IHOP) at DLF Cyber Hub and quite recently, launched another American brand, Potbelly.

Besides the numerous food court F&B options, there are also numerous other Fine Dining and standalone restaurant options at Newtown Square Gurgaon, offering a variety of cuisines to suit the palate and liking of everyone, making your visit memorable and ensuring you will want to come back again and again.

**NEWTOWN SQUARE IS SERVING HAPPINESS  
WITH KWALS FOODCOURT**
